PRODOTTO: GEX TROPICAL 100ml		Page - 1 - of 2	

1. Product Category	Aerosol Insect repellent		
2. Article bill of materials	100624/1		
3. Article sale	100624/1		
4. Biocide	Biocide Product PT19		
5. Distributor	Bergen S.r.l.		
6. Characteristics	GEX TROPICAL is ready-to-use aerosol insect repellent based of DEET effective even after a single application. It contains DENATONIUM BENZOATE a very bitter substance that prevents accidental ingestion of the product by children. It protects against mosquito bites of various species of mosquitoes including the Tiger mosquito, both during the day, until dusk, and at night. The action of GEX TROPICAL takes place for 8 hours against mosquitoes after application. The product is indicated for use in areas infested by tropical mosquito (Anopheles gambiae) where its protection lasts for 5 hours. It is very effective against the simuliids, the black midges that attack mammals in rural areas, the use of the product is therefore particularly suitable in areas infested by the simulidi farms, campsites, rural areas where its protection usually lasts for 5 hours. GEX TROPICAL is also effective against ticks allowing you to protect the treated areas for 3 hours. Its use is therefore indicated in case of frequenting of infested areas such as wooded areas, meadows, agricultural areas and rural areas in general.		
7. Instructions for use	Shake the product well before use. Spray evenly on arms and legs at a distance of about 15/20 cm avoiding applying directly on the face, wounds and mucous membranes. For applications on the face and neck, spray a little 'product on the palm of the hand and smear avoiding contact with the eyes and mouth. Do not repeat the treatment more than twice a day.		
8. Composition	Ethyl Alcohol, Glycol Monoethylene, Denatonium Benzoate, Lemon Fragrance, Cetyl Alcohol, DEET		
9. Analytics Data	9.1 Aspect	Clear Liquid	
	9.2 Perfume	Compliant with the standard	
	9.3 Aerosol density at 20°	0,800	
	9.4 N, N-Diethyltoluamide	Gr. 19,50 x 100 Gr.	
10. Filling	100 ml		
11. Packaging	11.1 Can	Alluminium Ø 38x138 Externally: Lithographed - COD EAN : 8007675737103	
	11.2 Valve	Protected Tinplate	
	11.3 Erogator	White	
	11.4 Cap	Blue	
	11.5 Carton	24 pieces
